Letter of Recommendation

Elite Finishes Group

To whom it may concern,

It is my pleasure to write this letter of recommendation for Elite Finishes Group who has successfully performed on past projects that I have personally been a part of, and I have every intention to continue our working relationship moving forward.

Each and every General Contractor is required to work with many different sub-contractors on any given project and because Elite stands out as a company that performs over and above their contractual obligations to help out when needed and stays true to their word, I'm happy to refer to them as a trade partner, not just a sub-contractor.

Please feel to reach out to me for more information.

Sincerely,
