To whom it may concern:

It is with much enthusiasm that I am writing to recommend the services of Elite Finishes Group. We have been dealing with them for the last four years and it has been a great experience. The level of dedication, willingness to help and ability to think outside the box has been refreshing to see in our industry. They have a level of passion for what they do, and it shows from the directors to the site staff.

We would be happy to recommend Elite Group. If you have any questions, please feel free to contact me.

Sincerely,

Andres Valenzuela
Director of Residential Construction
