Letter of Reference

Re: Elite Finishes Group

To Whom it may Concern,

I have retained a long standing, and respected working relationship with Elite Finishes Group for several high rise developments in the GTA, with our most recent successful collaboration on the Transit City Condos project in the VMC. I have elected to repeatedly enter into Contract with Elite for various disciplines of design finishes including, Tile, Stone, Countertop, Wood flooring, and Specialty flooring finishes as I have continued trust in their level of service.

Elite continually demonstrate a proven duty of care and professionalism in their installations, and in the management of their operations. I have the utmost confidence in the ability of Elite to perform to agreed obligations without impact to schedule or cost.

Elite have proven collaborative efforts to customer service and value engineering, which has provided optimal solutions to project budget without compromise to design intentions or quality of work.

I would not hesitate to recommend Elite Finishes Group to any General Contractor or Developer looking for best in class service on their project.

Sincerely,

Joshua Currie
